2 Introduction

- 2.1 This policy has been approved by the Board. The Board may approve any updates, amendments to and exemptions to this policy from time to time. If this policy conflicts with any other policy concerning this subject matter, this policy prevails to the extent of the inconsistency.
- 2.2 The ordinary shares of the Company will be or are listed on the ASX. The Company aims to achieve the highest possible standards of corporate conduct and governance.

- 2.3 The purpose of this policy is to ensure compliance with the ASX Listing Rules and the Corporations Act 2001 (Cth), and to ensure that Key Management Personnel and their associates are aware of the legal restrictions that exist on dealing in the Company's securities while such a person is in possession of price sensitive information concerning the Company.
- 2.4 The policy recognises that it is illegal for a person to deal in the Company's securities when he or she is in possession of price sensitive information concerning the Company. This is regardless of whether the terms of this policy have been complied with.
- 2.5 This policy shall be distributed to all Key Management Personnel and it is the responsibility of each Key Management Person to comply with this policy. Any non-compliance with this policy will be considered as serious misconduct.
- 2.6 The restrictions set out in this policy are additional to any provisions governing or restricting the trading of securities set out in any agreement between the Company and a Key Management Person or a person holding securities in the Company or any provisions in the Company's employee incentive plans (if any). Where the provisions of an agreement between the Company and a Key Management Person or a person holding securities in the Company conflict with the provisions of this policy, the most restrictive provisions will prevail.

3 Insider Trading

- 3.1 A person engages in insider trading if that person deals in securities of a relevant entity while possessing information that:
 - (a) is not generally available; and
 - (b) if it were available, may have a material effect on the price or value of the relevant entity's securities, and

the person knows, or ought reasonably to know, that the information is not generally available and, if it were, it might have a material effect on the price or value of the entity's securities. This type of information is commonly referred to as "price sensitive information" or "inside information".
- 3.2 Information is considered to have a material effect on the price or value of securities of a company if the information would, or would be likely to, influence persons who commonly invest in securities in deciding whether or not to subscribe for, buy or sell those securities.
- 3.3 The prohibition against insider trading applies to:
 - (a) direct trading in the Company's securities;
 - (b) procuring another person to trade in the Company's securities; or
 - (c) communicating price sensitive information to another person who is likely to trade in the Company's securities.
- 3.4 Insider trading is a criminal offence, punishable by substantial fines and/or imprisonment. The Company may in certain circumstances also be liable if a Key Management Person or their associate engages in insider trading. Insider trading may also attract civil liability,

including liability to pay compensation to those who suffer loss or damage as a result of the insider trading.

- 3.5 The requirements imposed by this policy are separate from, and in addition to, the legal prohibitions on insider trading in Australia. Accordingly, under insider trading laws a person who possesses price sensitive information may be prohibited from trading even where the trading is permitted by this policy.

4 Scope of this Policy

- 4.1 This policy extends to dealing in the securities of the Company by Key Management Personnel of the Company, any associate or related party of any Key Management Personnel and any company, trust or other entity in which any Key Management Personnel have a relevant interest. Accordingly, references to dealings in the securities of the Company by a Key Management Person in this policy apply equally to dealings in the securities of the Company by any associate or related party of that Key Management Person and any company, trust or other entity in which any Key Management Personnel have a relevant interest.
- 4.2 This policy does not apply to the following trading in the securities of the Company:
- (a) transfers of securities of the Company which result in no change to the beneficial interest in the securities;
 - (b) transfers of securities of the Company between a Key Management Person and a related party of the Key Management Person;
 - (c) transfers of securities of the Company by a Key Management Person to his or her superannuation fund;
 - (d) where a Key Management Person is a trustee, trading in the securities of the Company by that trust provided the Key Management Person is not a beneficiary of the trust and any decision to trade during a Prohibited Period is taken by the other trustees or by the investment managers independently of the Key Management Person;
 - (e) undertakings to accept or the acceptance of, or a disposal of securities of the Company arising from, a takeover offer, scheme of arrangement or equal access buy-back;
 - (f) trading under an offer or invitation made to all or most of the securityholders, such as, a rights issue, a security purchase plan, a dividend or distribution reinvestment plan and an equal access buy-back, where the plan that determines the timing and structure of the offer has been approved by the Board. This includes decisions relating to whether or not to take up the entitlements and the sale of entitlements required to provide for the take up of the balance of entitlements under a renounceable pro rata issue;
 - (g) a disposal of securities of the Company that is the result of a secured lender or financier exercising their rights under a loan agreement;

- (h) an acquisition or disposal of securities of the Company under a pre-determined investment or divestment plan for which prior written approval has been provided by the Designated Officer and where:
 - (i) the Key Management Person did not enter into or amend the plan during a Prohibited Period; and
 - (ii) the plan does not permit the Key Management Person to exercise any discretion over how, when or whether to acquire or dispose of securities of the Company; and
- (i) an acquisition of securities of the Company under an employee incentive scheme.

5 Periods During Which Dealings May Take Place

- 5.1 Subject to compliance with the procedure set out in section 6, dealing by Key Management Personnel in the Company's securities may take place at any time, except during the following periods:
 - (a) the period commencing 6 weeks prior to the release of the Company's half year results to the ASX and ending at the beginning of the next trading day after such release;
 - (b) the period commencing 6 weeks prior to the release of the Company's year end results to the ASX and ending at the beginning of the next trading day after such release;
 - (c) the period commanding 2 weeks prior to the Company's Annual General Meeting and ending at the beginning of the next trading day after the Annual General Meeting; and
 - (d) any other time imposed by the Board when it is considering matters which are subject to the exceptions to the continuous disclosure requirements set out in ASX Listing Rule 3.1A,

(collectively the "**Prohibited Periods**").
- 5.2 Notwithstanding the above, no dealing in the Company's securities will be permitted at any time if that Key Management Person possesses (or is deemed to possess) any price sensitive information which is not generally available.

6 Pre-Dealing Procedure - trading outside Prohibited Periods

- 6.1 For all periods during which dealing in the Company's securities is permitted in accordance with this policy, Key Management Personnel must apply to the Company Secretary on behalf of the Designated Officer to deal in the securities of the Company. The application must be in writing (which, for the avoidance of doubt, does not include by e-mail or facsimile as original signatures are required) in the form set out in the Schedule and submitted to the Company Secretary on behalf of the Designated Officer.

- 6.2 On receipt of an application under section 6.1, the Company Secretary shall procure that the Designated Officer considers the application. No dealing in the Company's securities may be undertaken before the Key Management Person receives the written approval of the Designated Officer (which may be refused or given subject to any conditions the Designated Officer determines necessary to comply with this policy).
- 6.3 Any dealing in the Company's securities by a Key Management Person approved by the Designated Officer in accordance with section 6 must be completed within 14 days (or such earlier time as determined by the Designated Officer) from the date that the Key Management Person receives written approval from the Designated Officer, and the Key Management Person must advise the Company Secretary on behalf of the Designated Officer promptly following completion of any such trade.
- 6.4 Any approval to deal in the Company's securities by a Key Management Person in accordance with section 6 is automatically deemed to be withdrawn if the Key Management Person becomes aware of any price sensitive information prior to or during any approved dealing in the Company's securities.

7 Dealing during Prohibited Periods in Exceptional Circumstances

- 7.1 Key Management Personnel may in exceptional circumstances apply to the Company Secretary on behalf of the Designated Officer for approval to deal in the Company's securities during a Prohibited Period, provided that the Key Management Person is not in possession of any price sensitive information. The application must be in writing (which, for the avoidance of doubt, does not include by e-mail or facsimile as original signatures are required) in the form set out in the Schedule and submitted to the Company Secretary on behalf of the Designated Officer.
- 7.2 On receipt of an application under section 7.1, the Company Secretary shall procure that the Designated Officer considers the application. No dealing in the Company's securities may be undertaken before the Key Management Person receives the written approval of the Designated Officer (which may be refused or given subject to any conditions the Designated Officer determines necessary to comply with this policy).
- 7.3 The Designated Officer may grant the Key Management Person written permission to deal in the Company's securities during the Prohibited Period if the Designated Officer is satisfied (in its absolute discretion) that the Key Management Person's circumstances amount to exceptional circumstances.
- 7.4 Without limiting the discretion of the Designated Officer under this section 7, the following factors may be considered by the Designated Officer in determining whether the Key Management Person is to be granted permission to deal in the Company's securities during a Prohibited Period:
 - (a) whether the Key Management Person is suffering severe financial hardship;
 - (b) whether the Key Management Person is required by a court order or a court enforceable undertaking or other legal or regulatory requirement to transfer, or accept a transfer of, securities of the Company; and

- (c) whether the Key Management Person's circumstances are otherwise exceptional that warrant the granting of approval of the Key Management Person to deal in the Company's securities during the Prohibited Period.
- 7.5 Any dealing in the Company's securities by a Key Management Person approved by the Designated Officer in accordance with section 7 must be completed within 7 days (or such earlier time as determined by the Designated Officer) from the date that the Key Management Person receives written approval from the Designated Officer, and the Key Management Person must advise the Company Secretary on behalf of the Designated Officer promptly following completion of any such trade.
- 7.6 Any approval to deal in the Company's securities by a Key Management Person in accordance with section 7 is automatically deemed to be withdrawn if the Key Management Person becomes aware of any price sensitive information prior to or during any approved dealing in the Company's securities.

8 Margin Loans and Security Arrangements

- 8.1 Key Management Personnel may only enter into a margin loan or other security arrangement in respect of the Company's securities with the prior written approval of the Designated Officer (in its absolute discretion).
- 8.2 Any approval by the Designated Officer may be subject to the condition that the Company be permitted to disclose to the ASX the existence of the margin loan or security arrangement, and where the Company considers appropriate, any relevant terms such as the trigger points or right of the financier to sell unilaterally.

9 Unvested Securities

The Company prohibits Key Management Personnel from entering into transactions in associated products which operate to limit the economic risk of security holdings in the Company over unvested entitlements.

10 Further assistance

Any Key Management Person who is unsure of the nature of the information that they have in their possession and whether they may deal in the Company's securities should contact the Company Secretary before dealing in any securities of the Company.
